

Witch Key Movie - Hidden Key Game

Here's some clues to find them?

Why hello there!

Enchantra the Witch here.

So you think you're brave enough to search for my 11 hidden keys?

Here are some helpful clues that will guide you along your way.

Good luck and happy hunting

MY GUESS

1. I hang by the colorful little door of a house on wheels.

2. I am the highest key in Belvuria and Twinkle.

3. I fall from the key ring of a low flying Witch.

4. When traveling from the Castle to the Witch's cottage, Enchantra and Charlemagne often fly over me.

5. Birds soar over me, little Princes trod on me and a stone Dragon rises out of my center.

6. I shine pretty at night, but can be seen much brighter shining in the sunshine, but then, who gives a hoot?

7. I look good enough to eat, if you like chocolate. It's a shame I hang by stinky garlic.

8. We jingle when Enchantra does the Happy Dance.

9. I go with the gold and silver magic lock.

10. I'm purple and decorate the bottom of something hairy and scary that crawls on the forest floor.

11. I look down on the singing hedgehog and the Queen.
